

A WOMAN HAS RISEN OUT OF THE OCEAN, A SEAL IS EMBRACING HER

Commentary: ‘A Woman Has Risen Out of the Ocean’. She is consciously aware of leaving the past behind in order to emerge into a whole new arena of existence and activity. The ‘Seal Embracing Her’ symbolizes her being welcomed into this new arena. This degree is right on the cusp of Pisces and Aries, when the yearly astrological cycle begins again. It’s like the beginning of a new year. In the Northern hemisphere it marks the beginning of spring—the Spring Equinox. Long ago there was a belief that the spirits of those who had drowned at sea had the ability to enjoy life in the ocean in the form of ‘Seals’. When they wished, the Selkies could, once per moon cycle, swim ashore, drop their sealskins and become mortals again.

Oracle: New understandings and awareness are coming to light. Whatever is emerging, either in you or around you needs to be accepted, welcomed and nurtured. It’s best to resist the old familiar ways of being or relating as they can pull you back to outgrown and possibly unsatisfactory conditions. Maybe you feel you are not being acknowledged, don’t have a voice or are not being heard. Take heart as comfort and salvation are likely to be found in the most unexpected places. Despite any setbacks, be aware that you possess the power to make the necessary changes in your life. It is time to claim your place or make a mark in this new world. So much potential lies ahead of you. Welcome this new beginning and be fearless in the face of the changes that are coming. Accept the ‘Embrace’ of those who welcome you into this new sphere. It is inevitable that you’ll leave something behind as you move into this new territory. Enjoy the journey and give birth to self-love, self-worth and divine creativity. Let go of the past and emerge into life and love.

But the beginning of things, of a world especially, is necessarily vague, tangled, chaotic, and exceedingly disturbing. How few of us ever emerge from such a beginning! How many souls perish in its tumult!

Sitting alone Singing alone
Under the sea, With a crown of gold,
On a throne?*

Everything teaches transition, transference, metamorphosis: therein is human power, in transference, not in creation; and therein is human destiny, not in longevity but in removal we dive and reappear in new places.

Thomas Paine
